

Position:

SW Region Local Programs Manager

Division:

SW Region - Vancouver

Recruitment Number:

WMS-06-030

Location:

Vancouver, WA

Salary:

\$67,440 - \$86,496

Opening Date:

April 24, 2006

Closing Date:

Open Until Filled

Position Profile:

Position Profile: The incumbent will direct, manage, administer and control the Local Programs Office in the SW Region of the Washington State Department of Transportation (WSDOT). Primary responsibilities include:

*Administering statewide policy to assist local agencies, Metropolitan Planning Organizations (MPOs), Regional Transportation Planning Organizations (RTPOs), counties, cities, Indian Nations, Transit, Ports and other state agencies in their use of federal and state funds for transportation projects;

*Acting as lead liaison to form mutual benefiting partnerships between local agencies, Indian Nations, WSDOT and federal interests;

*Ensuring compliance to state and federal laws and regulations on all programs and projects administered through this office;

*Assuming role of prime contact between local agencies and WSDOT for information exchange and program resolution that carries a significant impact to an overall client base;

*Coordinating and managing the formal process to transfer routes between the state, cities and counties;

*Overseeing and assisting in consultant selections;

*Assuring that all agencies have submitted up to date and accurate six-year Transportation Improvement Plans (TIPs) for inclusion in the State Transportation Implementation Program (STIP);

*Acting as approving engineer for local jurisdiction project plans on projects using federal funding for those jurisdictions that are not certified to sign federal plans.
